

# **FISCAL NOTE**

## **HB 1413 - SB 1691**

March 27, 2001

**SUMMARY OF BILL:** Increases the maximum speed limit on four-lane, controlled-access highways from 65 to 70 miles per hour and specifies the minimum speed for traveling on such highways as 55 miles per hour.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures - Less than \$100,000 One-Time / Highway Fund**

Estimate assumes:

- decals will be used to change the speed limit on existing signs. The increase in expenditures for such decals is estimated to be less than \$100,000.
- a statement of the minimum speed will not be required on such signs as the minimum speed is already established under current law.
- the speed limit will not be changed on all four-lane controlled access highways, only on those where the change is deemed appropriate.
